Activities at the Front Range Adaptive Program Center at Jefferson County Fairgrounds

- **Archery Private Lessons held through Oct. 31**
 - The NSCD Metro program team provides fun, safe, educational, and adaptive outdoor target and 3D archery experience for athletes of any ability and skill level. Athletes will have the chance to shoot compound bows at a local area range. This program is modular and can be hosted at a range of locations due to the ballistic curtain backdrop and mobile shooting traps.
- **Air Gun Private Lessons held through Oct. 31**
 - Get on target with our top-of-the-line air rifles. The NSCD Metro program team provides fun, safe, educational, and adaptive 10m air rifle experience for athletes of any ability. Athletes will have the chance to shoot Olympic-grade air rifles at a local area indoor range. This program is modular and can be hosted at a range of locations due to the ballistic curtain backdrop and mobile shooting traps. Private lessons are a great way to get one on one instruction.
- **Rock Climbing Private Lessons held through Oct. 31**
 - Private lessons are a great way to get one on one instruction. Whether you are new to rock climbing or have climbed previously, rock climbing presents unique athletic and mental challenges, and demands a wide range of technical and judgment skills that can only be learned on the wall. The NSCD offers indoor and outdoor climbing lessons to take your skills to the next level.

About the National Sports Center for the Disabled

The National Sports Center for the Disabled has been a leading provider of adaptive outdoor recreation experiences for the past 55 years. They are committed to helping individuals with disabilities, their caregivers and the broader community rethink ability. Through the power of adaptive innovation, recreation and Colorado's great outdoors, we are transforming lives, families and communities and creating a world that celebrates each person's abilities. Our exhilarating adaptive outdoor experiences help participants make the very most of their passion, their talents and their aspirations. They discover a renewed sense of confidence, reignite the pure joy of play, and find motivation to try new things, meet new people and believe in their own abilities. With industry-leading adaptive equipment, renowned coaches, instructors and volunteers and unmatched mountain and metro programs, we change the perceptions of athletes of all levels and help them, and the world, [#RethinkAbility](#).
